Gentlemen:

A few weeks ago, the foreman of one of your line and construction crews filled out an order, so as to get it into the summer telephone book, for reinstalling a telephone of Howland Wood, Newtown Avenue, Westport. You can install this any time. If we are not there the key can be obtained from Mr. Charles Schaffer, whose house is just beyond ours on Newtown Avenue. Our camp is the first house beyond the Twin Bridges. We have a telephone in the house but the wire from the house to the road was blown down last fall and has never been put back.

Very truly yours,

HW:JG

Gentlemen:

Herewith I enclose check for your last bill. I would like to have my telephone at Westport discontinued for the winter months. Notice will be sent you in the spring. I understand you charge half rate or something like that. Please let me know the date you would discontinue this.

Very truly yours,

Your telephone bill at hand and I note two charges for places we did not call. No one was at the cottage on these two dates and it has been closed for some time.
